

## **Registered Dental Hygienist with Limited Access Permit (RDH with LAP)**

### **Job description:**

Ag Worker Health & Services is a non-profit Federally Qualified Health Center (FQHC) founded in MT in 1972. Our employees are dedicated to providing high quality integrated health care to agricultural workers and their families. We are seeking a RDH with Limited Access Permit endorsement to join our health care team in Billings, MT. Our Agency provides primary, behavioral and dental hygiene services to patients of all ages in a team-based atmosphere.

Fun opportunity to work outside the clinic setting during outreach clinics and school screenings if you are interested.

**Mission Statement:** To improve the health status of agricultural workers and their families and others living in rural poverty.

The applicant:

- must hold a limited access permit endorsement in the state of MT
- will work under public health supervision
- must be able to work as part of the patient's primary health care team
- must be confident in their clinical skills to practice without supervision of a dentist
- ability to speak or learn Spanish a bonus!

Visit our website at [agworker.org](http://agworker.org) to find out why RDHs choose to work with our agency. Our clinic offers a fun, flexible work environment with the ability to focus on patient care.

Benefits:

- 401(k) matching
- Flexible schedule
- Vacation and sick paid time off

**Pay:** \$41.13 - \$49.53 per hour
